

DBE Goal Notice

The January Bid Opening is entirely Race Gender Neutral, meaning there are 0% goals set on any projects bid from now until we fall back under our overall goal.

The reason for going RGN is that after totaling our DBE participation for the fiscal year after the **November 9, 2018** bid opening the overall participation was at **6.43%** which is over the Departments goal is 4.91% and CFR states *"If, during the course of any year in which you are using contract goals, you determine that you will exceed your overall goal, you must reduce or eliminate the use of contract goals to the extent necessary to ensure that the use of contract goals does not result in exceeding the overall goal."*

Until we fall back under 4.91% we will remain RGN. Primes are still encouraged to utilize DBE quotes as that participation will still count as Race Gender Neutral.

For any questions regarding goal setting please contact the DBE Program Administrator.
